ADDUCTION

## Faculty

Each year as former Mount de Sales students return for visits to their alma mater, we are reminded of the sense of close community which exists here at this school. That sense of community can be attributed in large measure to the leadership of our twenty-nine faculty members, for these men and women are truly generous people. They have devoted themselves to their students, and this is evident not only in the rigor and enthusiasm with which they conduct their classes, but also in the untold amount of time that they share their many extra-curricular talents with their students. The result of all this is that special community called Mount de Sales High School.

# SENIORS

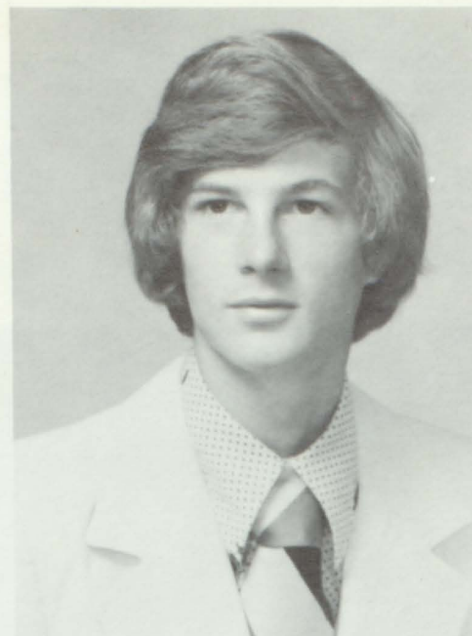

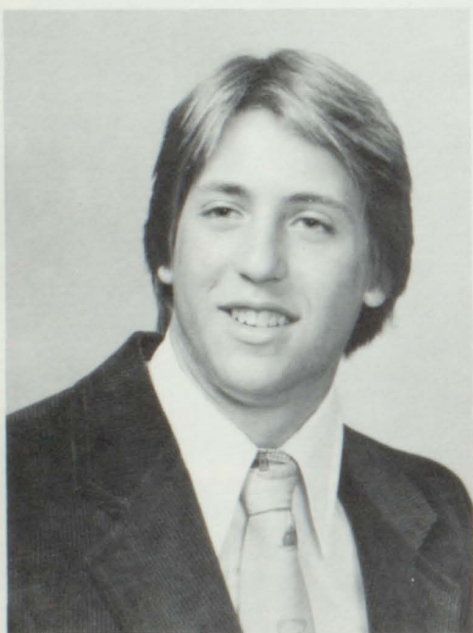

## Seniors

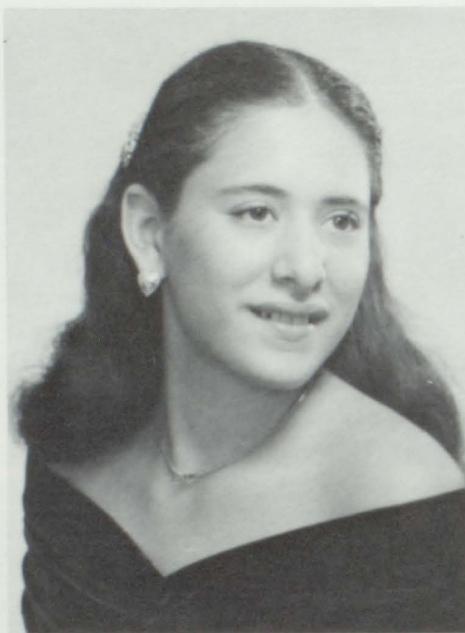

As graduation nears, our seniors have many things on their minds. After four or five years at Mount de Sales, they must soon depart from this place to which they have become so accustomed and comfortable, and they must face an unknown future. Today they may be able to quote from Lord Byron or William Shakespeare, or they may be adept at the laws of physics, but as the years gradually pass, so too will many of the quotes, facts, and dates. After the graduation festivities, the seniors will separate, each one following a different path in life, and the entire group may never convene again. Hopefully, however, each one—as an individual—will continue to develop in mind and spirit. No matter what may happen, they will forever hold on to those intangible moments of nostalgia and to that unbreakable, incomparable oneness that they share now. Despite the constant threat of change, they will always remember their years at Mount de Sales.

# You're secure in a HOW home

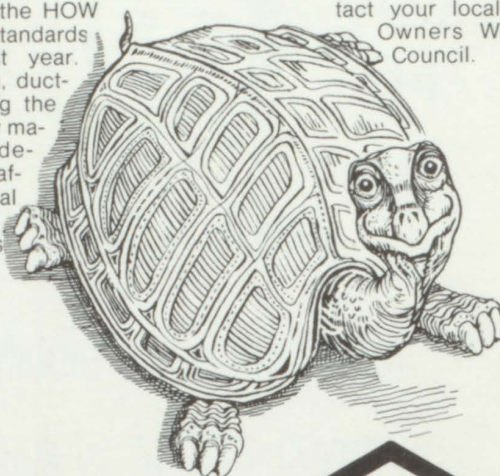

Security in a new HOW home begins with the knowledge that you are protected by America's first 10-year, nationally insured home owners protection plan.

HOW—Home Owners Warranty—assures you protection against workmanship and materials defects that don't meet the HOW National quality standards during the first year. Defective wiring, ductwork, and piping the second. And any major structural defects that vitally affect the residential use of your new home(exclusions

are reasonable) for 10 full years.

Only participating HOW home builders can offer you a HOW home. You can recognize them by the HOW emblem displayed in their ads and model homes. Look for it, and feel secure.

For information about HOW, contact your local Home Owners Warranty Council.

# HIGH SCHOOL SENIORS

**Get Ahead of the Pack — In the AIR FORCE RESERVE. Join BEFORE You Graduate!**

Earn an Associate in Applied Science Degree in the Air Force Reserve.\* If you're within 3 months of graduating, you will be paid over \$50 for each weekend spent as an Air Force Reservist. What's more, after you graduate, and complete basic training you can attend one of the finest technical schools in the nation and receive college credit for attending. When you finish your initial active duty training, you'll be free to return to a full-time civilian job or attend college, and continue to be a paid part-time Air Force Reservist in your own community.

\*Through participation in the Community College of the Air Force.
